**IMPERIAL CITY COUNCIL  
 AGENDA ITEM**

SUBJECT: DISCUSSION/ACTION: 1. APPROVAL OF FUNDS RELATED TO THE PURCHASE OF TWO DELL POWER EDGE R660xs SERVERS IN THE AMOUNT OF 47,731.19 FOR THE GIS ENTERPRISE SERVICES.	
DEPARTMENT INVOLVED: DEPARTMENT OF INNOVATION & TECHNOLOGY	
BACKGROUND/SUMMARY: During the initial analysis and discussions, it was determined that the city's servers met the requirements for implementing ArcGIS Enterprise. However, following the Jumpstart kickoff meeting with ESRI for the Enterprise Implementation, ESRI's engineers recommended increasing the server capacity. This recommendation was based on our proposed server architecture, designed to isolate GIS components for easier troubleshooting and improved system performance and management. The upgraded servers will meet anticipated demands, support replication, and enable multi-tiered environments for a robust Enterprise GIS.  Additionally, since the initial server analysis, the city has begun implementing a new Asset Management System (AMS). The AMS is expected to become integral to daily workflows across many departments, further increasing the need for replication due to its heavy reliance on the city's GIS.	
FISCAL IMPACT: 50% - 19-145-5442 (GIS FUND) 50% - 19-000-4280 (DoIT Services)	FINANCE INITIALS

**Governing Terms:** This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at [www.dell.com/terms](http://www.dell.com/terms) or [www.dell.com/oemterms](http://www.dell.com/oemterms)), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

**Supplier Software Licenses and Services Descriptions:** Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on [www.Dell.com/eula](http://www.Dell.com/eula). Descriptions and terms for Supplier-branded standard services are stated at [www.dell.com/servicecontracts/global](http://www.dell.com/servicecontracts/global) or for certain infrastructure products at [www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm](http://www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm).

**In case of Resale only:** Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

**In case of Financing only:** If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer.
