Re: REQUEST FOR HIDTA FUNDS

The Imperial Police Department (IPD) has an officer assigned to the Imperial County Narcotic Task (ICNTF), a collocated task force in the Imperial Valley Drug Coalition (IVDC) Law Enforcement Coordination Center, and is the certified canine (K-9) handler for IPD and ICNTF. Recently, the narcotic detection K-9 (Parker) that was purchased with HIDTA funding was retired due to age and medical conditions that do not allow the K-9 to properly carry out his primary duties. The Imperial Police Department is requesting that the recently retired narcotic detection K-9 (Parker) be replaced to continue supporting the on-going mission of ICNTF, the other collocated task forces, and member agencies of the IVDC upon request and availability.

The IVDC is requesting that HIDTA funds in the amount of \$15,956.00 be made available to the Imperial Police Department to support this request as itemized below:

Cost of Narcotic Detection K-9: \$9,697.50

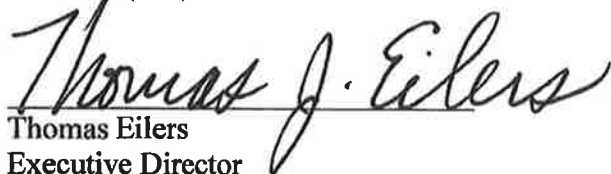

Cost of Training Course: Imperial Police Department has agreed to incur the cost of the (6) week training course tuition, but is requesting the following travel costs at the training location in Ontario, California.

Per Diem: \$54.00 X 42 days = \$2,268.00

Lodging: \$95.00 x 42 days = \$3,990.00

Upon consideration and approval, it requested that the requested HIDTA funding be moved into the CY-2018 IVDC-IPD budget under the services and travel lines items.

Point of contact for questions regarding this request is Tom Eilers (Executive Director, IVDC LECC) at commercial (760) 337-3785/cell (760) 483-7614 or Chuck Cloud (Operations Chief, IVDC LECC) at (760) 337-3703/cell (760) 455-9939.

Thomas Eilers
Executive Director
