SUBJECT: DISCUSSION/ACTION:
 AUTHORIZATION TO HYDROSEED PARAMETERS OF SUNSET PARK AND
 AREAS NEAR PLYGROUNDS AND BASKETBALL COURTS

DEPARTMENT INVOLVED: COMMUNITY SERVICES

BACKGROUND/SUMMARY:

During the City Council Strategic Planning Retreat on February 9th, 2019 the landscape contractor for the City of Imperial provided the recommendation of extending the bank on the walkways and hydro seeding the area at Sunset Park. The cost to bring in dirt to build up the mounds will significantly increase the cost of the project. Considering labor, equipment, and moving the existing irrigation system, it is estimated to cost \$30,000 plus the cost to hydro seed.

Considering the significant cost, the landscape contractor revised his recommendations to hydro seed the slopes as well as around basketball court and playground area in the North East corner of Sunset Park. The quote to hydro seed the area at prevailing wage is \$4709.00.
