AGENDA ITEM**

SUBJECT: DISCUSSION/ACTION:  
 LA BRUCHERIE WIDENING PROJECT FROM ATEN BLVD TO TRESHILL RD  
 BID NO. 2022-04

1. AWARD CONSTRUCTION CONTRACT TO ROVE ENGINEERING, INC.
2. AUTHORIZE 25% CONTINGENCY.

DEPARTMENT INVOLVED: COMMUNITY DEVELOPMENT DEPARTMENT

BACKGROUND/SUMMARY:

The Community Development Department was directed by City Council to conduct a competitive BID process for the La Brucherie Widening Project from Aten Blvd to Treshill Rd (BID No. 2022-04). The project consists of PCC Curb & Gutters, PCC driveways, PCC Sidewalks, ADA Ramps, Asphalt Paving, Streetlights, Thermoplastic Striping, Water Main Pipe, Catch Basins and Storm Drain Pipeline.

See attached Exhibit 1 (Improvement Plans) for detail.

Authorized project cost according with City Council meeting held on 05/04/2022 as Agenda Item No. D-3 was \$2,642,788 to be funded from Measure "D", SB1 RMRA and Circulation Funds.

Staff released a BID published in the Holtville Tribune, Calexico Chronicle, our City website, as well as "Dodge Data & Analytics" & "Construct Connect" plan rooms to solicit proposals from qualified and experienced contractors to complete the construction.

The following five (5) bids were received during the formal bidding process:

1. Rove Engineering, Inc. _____	<b>\$ 2,055,598.80</b>
2. Pyramid Construction and Aggregates, Inc. _____	\$ 2,460,054.64
3. Hazard Construction Engineering LLC _____	\$ 2,548,991.10
4. LC Paving & Sealing, Inc. _____	\$ 2,748,498.62
5. Granite Construction Company _____	\$ 3,075,703.00

See attached Exhibit 2 ("BID Opening Act") for details.

After careful review of all bids submitted, staff recommends the project be awarded to **ROVE Engineering, Inc**, the lowest responsive and responsible bidder.

Due to potential unknown conditions, it is also recommended to add a 25% Contingency to this contract. Main concerns (but not limited to) are in regard to very old or unidentified IID's and/or County's infrastructure.
