SUBJECT: Sky Ranch Wall

 DEPARTMENT INVOLVED: Department of Community Services

BACKGROUND/SUMMARY:
 A section of the retention wall along Sky Ranch Park has been vandalized and knocked down. Repairs were made with the first damaged section with a cost of \$3,000. Within one week of the repair the same section was vandalized again and knocked down. Due to the structure of the retention wall, it is not sturdy. Attached are recommendations and estimates from local businesses regarding the wall at Sky Ranch Park.

FISCAL IMPACT: Cost of Privacy Link fencing not to exceed \$9,000. Demolition of wall to be completed by city staff. F.O. INITIALS EH

STAFF RECOMMENDATION:
 It is the recommendation of staff to replace the 200 feet of the retention wall at Sky Ranch Park with six foot Privacy Link fencing. Along the fence area is a 3 foot block planter, it is also recommended to install irrigation and landscaping within the planter.
