

within the above completion period as required by the California Subdivision Map Act (Government Code Section 66410 and following), in a good workmanlike manner, in accordance with accepted construction practices and in a manner equal or superior to the requirements of the City Code and rulings made thereunder; and where there is a conflict between the improvement plans, City Code or conditions of approval, the stricter requirements shall govern.

3. IMPROVEMENT SECURITY:

Upon executing this Agreement, the Subdivider shall, pursuant to Government Code Section 66499, and the City Code, provide as security to the City:

- A. For Performance and Guarantee of the Work: Corporate surety bond in a form acceptable to City in the sum of one million, five-hundred ninety six thousand, three hundred ninety seven dollars and sixty six cents (\$1,596,397.66), which represents the estimated cost of the Work.

With this security, the Subdivider guarantees performance of all of the Work under this Agreement and maintenance of the Work for one (1) year after its completion and acceptance against any defective workmanship or materials or any unsatisfactory performance. Engineer's estimates are for the purpose of estimating the cost of the Work for establishing the dollar value of the security and shall not define or limit the scope of the Subdivider's obligation to perform all of the Work under this Agreement. The warranty period begins to run only upon completion of all of the Work called for by this agreement and acceptance of such Work as complete by the City.

~~City agrees to subordinate its first position in the Property to a second position on portions of the Property in favor of a construction lender as Subdivider develops and constructs improvements required by the Agreement as depicted on the attached Exhibit B; provided that a fund control is in place to assure payment directly to contractors for installation of such improvements for performance, labor and materials and monumentation related to the subordinated amounts, and provided further that the City determines, in its sole discretion, that the City's remaining first lien position on the Property is sufficient to secure Subdivider's performance called for by this Agreement.~~

- B. For Payment Corporate surety bond in a form acceptable to City in the sum one million, five-hundred ninety six thousand, three hundred ninety seven dollars and sixty six cents (\$1,596,397.66), which represents one hundred percent (100%) of the estimated cost of the Work.

With this security, the Subdivider guarantees payment to the contractor, to his

subcontractors, and to persons renting equipment or furnishing labor or materials to them or to the Subdivider.

~~City agrees to subordinate its first position in the Property to a second position on portions of the Property in favor of a construction lender as Subdivider develops and constructs improvements required by the Agreements as depicted on the attached Exhibit B; provided that a fund control is in place to assure payment directly to contractors for installation of such improvements for performance, labor and materials and monumentation related to the subordinated amounts and provided further that the City determines, in its sole discretion, that the City's remaining first lien position on the Property is sufficient to secure Subdivider's performance called for by this Agreement.~~

- C. Reduction of Security: Upon acceptance of the Work as complete by the City Council and upon request of the Subdivider, the amount of the securities may be reduced in accordance with Government Code Sections 66497, et. seq. "Acceptance," as used in this subparagraph is solely for the purpose of considering whether security can be reduced. The improvement security required herein for faithful performance of this Agreement may be reduced in amount, but not more often than once per month, as the Work of improvement is completed. ~~Further, the market value of the First Lien position must not be less than 100% of the estimated cost (including payment of prevailing wage) associated with completion of the Work remaining to be completed.~~ In no event shall this security be reduced until progress reports are submitted to the City, and the City determines the Work in fact has been completed and the amount by which the security shall be reduced. The determination by the City as to the completion of Work or improvement and the amount by which the security shall be reduced shall be conclusive. The performance security shall not be reduced to an amount less than ten percent (10%) until the liability established by all parts and subsections of this Agreement is satisfied. Payment security may be reduced only in accordance with Government Code §66499.7.

4. GUARANTEE AND WARRANTY OF WORK

Subdivider guarantees that said Work shall be free from defects in material or workmanship and shall perform satisfactorily for a period of one (1) year from and after the City Council accepts the Work as complete in accordance with Government Code Section 66499.7. Subdivider agrees to correct, repair, or replace, at his expense, any defects in said Work.

5. PLANT ESTABLISHMENT WORK

Subdivider agrees to perform plant establishment work for landscaping installed under this Agreement. Said plant establishment work shall consist of adequately watering plants, replacing unsuitable plants, doing weed, rodent and other pest control, and other work determined by the Public Services Department to be necessary to ensure establishment of

plants. Said plant establishment work shall be performed for a period of one (1) year from and after the City Council accepts the work as completed.

6. IMPROVEMENT PLAN WARRANTY

Subdivider warrants the improvement plans for the Work are adequate to accomplish the Work as promised in Section 2. If, at any time before the City Council accepts the Work as complete or during the one year guarantee period, said improvement plans prove to be inadequate in any respect, Subdivider shall make whatever changes are necessary to accomplish the Work as promised.

7. NO WAIVER BY CITY

Inspection of the Work and/or materials, or approval of Work and/or materials or statement by any officer, agent or employee of the City indicating the Work or any part thereof complies with the requirements of this Agreement, or acceptance of the whole or any part of said Work and/or materials, or payments therefor, or any combination or all of these acts, shall not relieve the Subdivider of his obligation to fulfill this Agreement as prescribed; nor shall the City thereby be estopped from bringing any action for damages arising from the failure to comply with any of the terms and conditions hereof.

8. INDEMNITY

Subdivider shall defend, hold harmless and indemnify the indemnitees from the liabilities as defined in this section:

- A. The indemnitees benefited and protected by this promise are the City and its elective and appointive boards, commissions, officers, agents and employees.
- B. The liabilities protected against are any liability or claim for damage of any kind allegedly suffered, incurred or threatened because of actions defined below, and including personal injury, death, property damage, inverse condemnation, or any combination of these, and regardless of whether or not such liability, claim or damage was unforeseeable at any time before the City reviewed said improvement plans or accepted the Work as complete, and including the defense of any suit(s), action(s) or other proceeding(s) concerning said liabilities and claims, excepting only those claims arising from the sole negligence of City.
- C. The actions causing liability are any act or omission (negligent or non-negligent) in connection with the matters covered by this Agreement and attributable to the Subdivider, contractor, subcontractor or any officer, agent or employee of one or more of these.
- D. Non-Conditions. The promise and Agreement in this section are not conditioned or dependent on whether or not any indemnitee has prepared, supplied or reviewed any

plans or specifications in connection with this Work or Subdivision, or has insurance or other indemnification covering any of these matters, or that the alleged damage resulted partly from any negligent or willful misconduct of any indemnitee.

9. COSTS

Subdivider shall pay when due all the costs of the Work including inspections thereof and relocating existing utilities required thereby.

10. SURVEYS

Subdivider shall set and establish survey monuments in accordance with the filed map and to the satisfaction of the City Engineer before acceptance of any Work as complete by the City Council.

11. NON-PERFORMANCE AND COSTS

If Subdivider fails to complete the Work within the time specified in this Agreement and subsequent extensions, or fails to maintain the Work, the City may proceed to complete and/or maintain the Work by contract or otherwise, and Subdivider agrees to pay all costs and charges incurred by the City (including, but not limited to: engineering, inspection, surveys, contract, overhead, etc.) immediately upon demand.

Subdivider hereby consents to entry on the Subdivision property by the City and its forces, including contractors, in the event the City proceeds to complete and/or maintain the Work.

Once action is taken by City to complete or maintain the Work, Subdivider agrees to pay all costs incurred by the City, even if Subdivider subsequently completes the Work. Should City sue to compel performance under this Agreement or to recover costs incurred in completing or maintaining the Work, Subdivider agrees to pay all attorney's fees, and all other expenses of litigation incurred by City in connection therewith, even if Subdivider subsequently proceeds to complete the Work.

12. RECORD MAP

In consideration hereof, City shall allow Subdivider to file and record the Final Map for said Subdivision.

13. MONUMENTATION SECURITY

Subdivider shall file or deposit with the City a monument bond or security as applicable in an amount specified by the City Engineer pursuant to Sections 66496 and 66499 of the Government Code of the State of California.

~~City agrees to subordinate its first position in the Property to a second position on portions of the Property in favor of a construction lender as Subdivider develops and constructs improvements required by the Agreements as depicted on the attached Exhibit B; provided that a fund control is in place to assure payment directly to~~

~~contractors for installation of such improvements for performance, labor and materials and monumentation related to the subordinated amounts and provided further that the City determines, in its sole discretion, that the City's remaining first lien position on the Property is sufficient to secure Subdivider's performance called for by this Agreement.~~

14. ENGINEERING FEES

Subdivider shall pay such fees as have been duly established by City.

15. DATE OF COMPLETION

The completion of improvements required hereunder and the date of completion shall be determined and certified by the City Engineer.

16. FEES

Subdivider shall pay such fees as have been duly established by City.

If prompt notice shall not be given to the Company, then all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of the Assured under this Guarantee unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

Schedule A or to prevent or reduce loss or damage to the Assured. The Company may take any appropriate action under the terms of this Guarantee, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this Guarantee. If the Company shall exercise its rights under this paragraph, it shall do so diligently.

- (b) If the Company elects to exercise its options as stated in Paragraph 4(a) the Company shall have the right to select counsel of its choice (subject to the right of the Assured to object for reasonable cause) to represent the Assured and shall not be liable for and will not pay the fees of any other counsel, nor will the Company pay any fees, costs or expenses incurred by an Assured in the defense of those causes of action which allege matters not covered by this Guarantee.
- (c) Whenever the Company shall have brought an action or interposed a defense as permitted by the provisions of this Guarantee, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from an adverse judgment or order.
- (d) In all cases where this Guarantee permits the Company to prosecute or provide for the defense of any action or proceeding, the Assured shall secure to the Company the right to so prosecute or provide for the defense of any action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of the Assured for this purpose. Whenever requested by the Company, the Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the correctness of the assurances set forth in Schedule A or to prevent or reduce loss or damage to the Assured.. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.

The proof of loss must describe the defect, lien, encumbrance, or other matter that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.
- (b) In addition, the Assured may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the Assured provided to the Company pursuant to this paragraph shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.

In case of a claim under this Guarantee, the Company shall have the following additional options:

Upon the exercise by the Company of either of the options provided for in 6 (a), (b) or (c) of this paragraph the Company's obligations to the Assured under this Guarantee for the claimed loss or damage, other than the payments required to be made, shall terminate, including any duty to continue any and all litigation initiated by the Company pursuant to Paragraph 4.

10. Subrogation Upon Payment or Settlement.

Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.
