SUBJECT: Purchase of Crack Sealer	DISCUSSION/ACTION: 1. Approve purchase of crack sealer for regulatory street maintenance.
DEPARTMENT INVOLVED: Public Services - Streets	
BACKGROUND/SUMMARY: Crack sealer is used to help maintain and prolong street longevity and is used on a daily basis and is purchased in smaller amounts regularly. Due to price increases in the last few months and possible future increases, the Streets department would like to purchase this product in bulk. This will secure current pricing, product in-stock availability, save on shipping costs and to ensure the ability to continue the crack sealing maintenance program.
