1. APPOINT A MEMBER OF THE COMMISSION TO SERVE AS A NON-VOTING BOARD MEMBER FOR THE FRIENDS OF IMPERIAL PARKS, INC 501C3 ORGANIZATION

Presenting: Friends of Imperial Parks, Inc. / Anthony Lopez President

Background/Summary:

Friends of Imperial Parks is a Non-Profit organization that was established in March, 2021. Our purpose is to serve the best interest of the public by providing additional funding for City of Imperial parks, walking trails, right of ways, and youth programs. On May 27, 2021 current members of the board voted unanimously to have a member of the City of Imperial Planning Commission serve as a (non-voting) board member. It is our hope that Planning Commission appoints a member to serve to this capacity since they represent the best interest of the City and it's residents.
