The subject site is within the Village Commercial (VC) Zone, intended as the social and civic heart of the City. Small shops, such as Imperial Electric Tattoo Studio aligns with this zoning by providing the only tattooing services in the City in a vibrant and family-oriented atmosphere. Its operation is consistent with the objectives of the Village Commercial Zone and the City's development goals

The location is ideal for a tattoo shop, offering patrons of the hair studio, and the surrounding businesses additional services in a centralized location, within the City's Downtown area. The site's location is in a highly visible, well-trafficked intersection making it a suitable location for retail services. The project does not present to create any adverse effects or be of any material detriment to adjacent land uses, residents, buildings, structures, or natural resources. The operational characteristics further ensure that the proposed use remains compatible with the surrounding Village Commercial area. Given these factors, the project will not negatively impact the community or environment and is consistent with the objectives outlined in Section 24.19.340.B of the Imperial Zoning Ordinance.

3. **That the proposed location, size, design, and operating characteristics of the proposed use and the conditions under which it would be operated or maintained will not be detrimental to the public health, safety, or welfare, or materially injurious to properties or improvements in the vicinity.**

With the established Conditions of Approval, the proposed project will not negatively impact public health, safety, or welfare. Mr. McCracken has demonstrated professionalism and a high regard to public health, safety and welfare by completing and implementing the industry-required education and complying with the regulations under the California Health and Safety Code (Safe Body Art Act).

4. **That the proposed Conditional Use will comply with each of the applicable provisions of the Zoning Ordinance, except for any approved Variance.**

The proposed project complies with all applicable provisions of the City of Imperial's Zoning Ordinance. Imperial Electric Tattoo Studio will be located in the Village Commercial (VC) Zone, where tattoo shops are permitted as a conditional use. There are no variances requested or required for this project, and all zoning regulations and requirements will be fully adhered to. By meeting these conditions, the project ensures alignment with the City's zoning standards and regulations.
